### VELUX EHF FINAL4 BRANDED TRAM

Three months after the successful VELUX EHF FINAL4 in May at the LANXESS arena in Cologne, the first signs of the VELUX EHF FINAL4 2012 can be seen on the streets of Cologne.

The start of ticket sales on 7 September 2011 also sees the launch of the official VELUX EHF FINAL4 branded tram, which will travel throughout the cathedral city until June 2012.

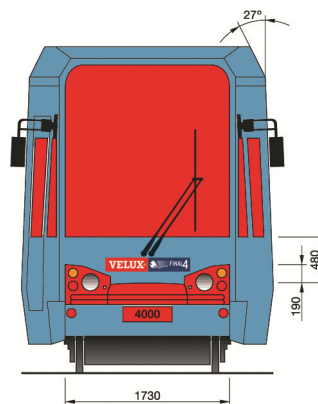

With the branding of this modern tram, EHF Marketing GmbH have created an effective 200 square metre advertising space in the City of Cologne, promoting the event throughout the year on its return to the city for the third year in a row.

The advertising team who worked on the project are from Kölner Aussenwerbung and were made up of four specialists, who have worked intensively to create a professional looking final product.

Areas such as joints, handles as well as doors and windows in particular required careful and painstaking work. In total 350 man hours were required to complete the branding of the tram.

The tram will travel on Line 1 in Cologne, and directly to the tram station serving the LANXESS arena. It is estimated that the tram will transport over 500,000 people and travel approximately 100,000 km up to June 2012.

### VELUX EHF CHAMPIONS LEAGUE 2011/12 PREVIEW

- 8,880 minutes until the trophy is won
- 19<sup>th</sup> season for the EHF Champions League
- 24 teams from 15 countries (36 from 24 if including Qualification Phase)
- 148 matches until the final destination Cologne
- RK Croatia Osiguranje Zagreb participate for the 18<sup>th</sup> time
- Chekhovskie Medvedi for the 12<sup>th</sup> straight time
- Three newcomers

One trophy, one city, one dream: 24 teams have to go 18 (or maybe even 20) steps to be on top of Europe; to be crowned champions of the VELUX EHF Champions League 2011/2012.

In 275 days, on 27 May 2012, the winner of the most important cup in the world of the club handball will be known – after 148 matches in Group Stage, Last 16, Quarter-Finals and the VELUX EHF FINAL4.

FC Barcelona Intersport start as defending champions – but the number of top opponents is huge this season. With their new name and new home BM Atletico Madrid are keen to continue their successful tradition, when they were known as BM Ciudad Real.

The German sides from Hamburg and Kiel will be strong like the Catalans and like the new Danish champions AG Kobenhavn or traditionally strong teams like MKB Veszprem, MAHB Montpellier or Chekhovskie Medvedi.

The first steps for all of them are the 10 matches of the Group Stage. On 28 September the starting whistle will be blown and after the break for EHF EURO 2012 in Serbia the Group Stage continues with the last three rounds on 8 February 2012.

By 26 February the 16 participants of the knock-out stage will be known, whilst the Last 16 (14 – 25 March) will also be played in the same form as last season.

The four group winners face the four fourth-ranked teams, and the clubs ranked third meet those ranked second. The better ranked teams have the home right in the second leg.

The winners of the Last 16 qualify for the Quarter-Finals (18 – 29 April 2012), which is the last step to Cologne. The group winners (if they qualify) again have the home right in the decisive second leg – and group winners cannot face each other before the VELUX EHF FINAL4.

The semi-finals will take place in Cologne on 26 May – and one day later the 19<sup>th</sup> winner of the VELUX EHF Champions League will be known.

### VELUX EHF CHAMPIONS LEAGUE 2011/12 FACTS

FC Barcelona Intersport are the current EHF Champions League record holders with seven titles, followed by Atletico Madrid (three titles as BM Ciudad Real) and THW Kiel (two titles).

In total, Spanish teams have won the trophy 13 times, and all of the EHF Champions League winners since 2005 are participating this season, however, it is not a team from the Iberian peninsula who are competing this year who have participated the most in the competition though, it is RK Croatia Osiguranje Zagreb.

Since the start of the EHF Champions League in 1993 the 20-time Croat champion have only missed it once in the 2001/2002 season and currently start the competition for the 18<sup>th</sup> time.

Behind Zagreb are MKB Veszprem, the 20-time Hungarian champions, who participate for the 17<sup>th</sup> time in the EHF Champions League ahead of FC Barcelona Intersport and THW Kiel (both 15), MAHB Montpellier (14) and Chekhovskie Medvedi (12).

Medvedi, the Russian champions, are the only team to be part of the EHF Champions League for the 12<sup>th</sup> straight time, again ahead of Veszprem (11) and Montpellier (10 times).

In contrast, Füchse Berlin (GER), Bjerringbro-Silkeborg and AG København (both DEN) play in the Group Stage of the VELUX EHF Champions League for the first time.

The first 16 matches of this season's competition have already been played in the three qualification and tournaments and one Wild Card tournament.

After 20 teams had qualified directly for the VELUX EHF Champions League, due to the EHF seeding list, IK Savehof, Partizan Belgrade, Metalurg Skopje and Vive Targi Kielce made their way through to the Group Stage as the winners of those tournaments, played in a new play-off format with semi-finals and finals in contrast to the group matches before.

So, after 8,880 minutes of regular time played by more than 400 players in the 24 teams coming from 15 countries one team captain will raise the one trophy everyone wants in Cologne in May 2012.

## VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

### **Group A:**

#### **FC Barcelona Intersport (ESP)**

The defending champions have been tipped by many VELUX EHF Champions League coaches as big favourites to win the VELUX EHF Champions League again this season, with team captain Laszlo Nagy hoping for a record eighth title too. "It's easier to get to the top than to remain there," he said.

The Spanish champions can rely on almost the same team from last season in their 15th season of participation in the EHF Champions League. Only Iker Romero has left the club but Spanish internationals Viran Morros (Atletico Madrid) and Mikel Aguirrezabalaga (Reale Ademar León) signed for the Catalans, who hold the record for winning the EHF Champions League the most times.

#### **Croatia Osiguranje Zagreb (CRO)**

For the 20th straight time Zagreb are Croatian champions and for the 18th time (the most out of all the participants in the competition this season) they play in the EHF Champions League. After reaching the Last 16 in the last two years the Croats hope to make the Quarter-Finals this season.

The only key player who departed is goalkeeper Gorazd Skof, but experienced Josip Valcic from Gummersbach has joined the club. Ivano Balic is the head of the team, but youngsters like Gojun and Kopljar are emerging as contenders for the leading position.

#### **Kadetten Schaffhausen (SUI)**

Last season the Swiss champions were close to a big sensation, as they were close to eliminating MAHB Montpellier in the Last 16, but lost the second leg. This season coach Petr Hrachovec has to face the fact that three of his top stars left the club; goalkeeper Bjorgvin Gustavsson, top scorer Mait Patrail and experienced wing Jan Filip.

However, Schaffhausen can count on a World Champion, the German Christian Dissinger, who was part of the All Star Team at the 2011 Junior World Championship.

#### **Chambery Savoie HB (FRA)**

In their short-term strategy the team from the Alps want to reach the Quarter-Finals, but in the mid-term they hope to be a candidate for the VELUX EHF FINAL4. Coach Philippe Gardent is in his 15th season on the Chambery bench and he again signed young talented French players to step out of the shadow of champions Montpellier.

Last season Chambery reached the Last 16 in the "group of death" with teams like THW Kiel, FC Barcelona and Rhein-Neckar Lowen – and the French runners-up especially can count on their home court strength.

#### **HC Bosna BH Gas Sarajevo (BIH)**

Last season, for the first time in their club history, the seven-time Bosnian champions reached the Last 16 – and now the Bosna team is hungry to repeat this success. Coach Irfan Smajlagic has made several changes to his team with seven newcomers arriving and five players (including top star Petar Kapisoda) leaving.

### VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

On home turf the Sarajevo team always show a stronger performance, attended by thousands of frenetic spectators, so the objective away will be to become more stable.

#### **IK Savehof (SWE)**

For the fourth time the Swedes have qualified for the VELUX EHF Champions League. Savehof won the qualification tournament in Vienna thanks to their clear semi-final victory over Besiktas and a tight final qualifying match success against Dinamo Minsk.

The new star of IK Savehof is Swedish international Fredrik Larsson after their former top scorer, Jonathan Stenbacken, left to join German side Fuchse Berlin. IK Savehof (which is close to Gothenburg) is well known for their highly successful youth programme and organise the famous Partille Cup.

#### **Group B:**

##### **Chekhovskie Medvedi (RUS)**

Chekhovskie Medvedi are the only one of all 24 participating teams to qualify for the Group Stage of the EHF Champions League for the twelfth straight time.

The Russian champions known as 'the Bears' are still clearly the team to beat in Russia, and internationally they have improved to be considered as one of the major contenders in European handball. Still counting on physical strong players, coach Vladimir Maximov does not have major changes in his squad. Only Alexey Kamanin left, but legendary wing player Eduard Kosharov arrived. Again their aim will be to go to the VELUX EHF FINAL4, but the Bears will face strong opponents in the first stage as they hope to go through to the Last 16.

##### **MKB Veszprem KC (HUN)**

For the 17th time the Hungarian record champions are participating in the VELUX EHF Champions League – and again they are one of the candidates for the VELUX EHF FINAL4. But like in the last few seasons, when they had to face extremely strong opponents and were eliminated twice by FC Barcelona, Veszprem were unlucky with the group draw.

The club from Lake Balaton again signed some big names such as Ferenc Ilyes and or Croatian national team goalkeeper Mirko Alilovic – the successor of the legend between the posts, Dejan Peric. But playmaker Nikola Eklemovic left the team of Coach Lajos Mocsai. Top star of Veszprem is Serbian shooter Marko Vujin, who will leave after this season to THW Kiel.

##### **BM Atletico Madrid (ESP)**

New name, old objectives: BM Ciudad Real relocated due to financial reasons from the La Mancha region to the Spanish capital – and reignites the handball tradition of Atletico. "We are going for all the titles," said Coach Talant Dujshabaev, even though his defensive ace Viran Morros moved to the big rivals FC Barcelona Intersport.

However, Madrid signed the 2.12 metre tall Danish pivot Nikolaj Marussen and the Spaniard Edu Fernandez and kept the rest of their experienced and successful squad from last season that reached the VELUX EHF Champions League Final in May, but lost against FC Barcelona. With three titles (2006,

# VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

2008, 2009) Madrid are number two in the record list of the EHF Champions League titles, behind FC Barcelona.

### **Füchse Berlin (GER)**

The Foxes from the German capital were the biggest sensation in the Bundesliga last season, finishing third in the end, equal on points with THW Kiel and ahead of teams like Flensburg and Rhein-Neckar Löwen. Competing in the VELUX EHF Champions League 2011/12 is their first ever international appearance, and the dreams are flying high, despite the strong matches ahead for them in the Group Stage.

By signing Spanish World Champion and double winner of the VELUX EHF Champions League, Iker Romero, they have made a huge step on their quest to improving handball interest in Berlin.

### **Bjerringbro-Silkeborg (DEN)**

The Danish league runners-up are another debutant in the Group Stage of the VELUX EHF Champions League – and another one with high hopes, as it is their objective to make the Last 16 and beyond.

The team of Coach Martin Albrechtsen consists of top players like young Danish national team goalkeeper Niklas Landin, one of the stars at the 2011 World Championship in Sweden, the experienced team captain Kasper Nielsen – and new signings with international experience such as Swedish pivot Robert Arrhenius and French player Audray Tuzolana.

### **KS Vive Targi Kielce (POL)**

The team of Coach Bogdan Wenta travelled the long way to be part of the VELUX EHF Champions League again. After surprisingly losing the Polish league finals against Orlen Wisla Plock, Kielce were hosts of the Wild Card Tournament and as all organisers before – Leon and Lowen – they qualified for the Group Stage. But it was a real tough struggle to first beat Valladolid in the semi-final and then to eliminate Rhein Neckar-Lowen in the final, as the Polish runners-up needed extra-time.

Kielce signed two Polish internationals Slawomir Szmal and Grzegorz Tkaczyk from Lowen and Croatian international Denis Buntic from Leon, as another Croat, Mirza Dzomba, has finished his career.

### **Group C:**

#### **HSV Hamburg (GER)**

Though they do not have a long international history, HSV Hamburg are one of the most successful teams of the VELUX EHF Champions League in the past few years. They have participated in the competition four times reaching the Semi-Final three times and the Quarter-Final once – and in all four seasons they were eliminated by Ciudad Real (now Atletico Madrid).

Despite missing the VELUX EHF Champions League Final in May, last season was the best in the club's history as HSV fulfilled their long-term objective – winning the German championship – for the first time. Per Carlen is now the successor to coach Martin Schwalb who became General Director and President of the club. Carlen arrived together with his son Oscar and goalkeeper Dan Beutler from Flensburg. The goal remains the same for HSV; to win one national or international title and to reach the final destination of the VELUX Champions League 2011/12 – Cologne.

### VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

#### **RK Cimos Koper (SLO)**

First, they were European Cup winners in the EHF Challenge Cup, then they broke the dominance of RK Celje and Gorenje Velenje and last season was a total triumph for them as they became Slovenian champions for the first time and Cup winners for the third time. Coach Fredi Radojkovic has changed his goalkeeper for the new season by signing the experienced Gorazd Skof from Zagreb, as Darko Stanic left to Skopje.

For the second time after the 2008/09 season Koper have qualified for the Group Stage of the VELUX EHF Champions League. "We are more experienced than in our first participation, so it is our objective to reach the Last 16," said manager Alex Korsic.

#### **HCM Constanta (ROU)**

Newcomer Valentin Ghionnea, one of the best current Romanian players, is the key factor for HCM Constanta and their high hopes. After their sixth Romanian title the team from the Black Sea hope for their second qualification for the Last 16 after the 2009/2010 season. HCM Constanta are part of the VELUX EHF Champions League Group Stage for the sixth time – and despite some changes in the squad coaches Ion Craciun and former goalkeeping legend Alexandru Buligan hope for a successful season on domestic and international courts.

#### **St. Petersburg HC (RUS)**

For the second straight time St. Petersburg finished Russian league runners-up below Chekhovskie Medvedi and for the second time the Last 16 of the VELUX EHF Champions League is the objective of Coach Dimitri Torgowanow. "Last season, when we were debutants, we lacked experience, now I hope that we have – especially in away matches – the cleverness to stand up to our opponents," he said. The Olympic, World and European Champion still has a very young team, but they are well trained and used to each other as only two new players have arrived since last season.

#### **Orlen Wisla Plock (POL)**

In one of the biggest sensations across the European leagues last season, Plock won the final series in Poland against the great favourites Kielce. Even in Kielce the team of Danish coach Lars Walther took the points – and they are now playing for the seventh time in the VELUX EHF Champions League. They have been eliminated after the Group Stage five times and reached the Last 16 once – but this was 15 years ago.

Now with an improved team helped with the arrivals of the experienced playmaker Nikola Eklemovic (Veszprem) and Polish international Michal Kubisztal, who arrived from Berlin. "I think we have a great chance to reach the Last 16, as teams like Constanta, St. Petersburg, Koper and Plock are on the same level now," said Club President Andrzej Mischczynski.

#### **RK Metalurg Skopje (MKD)**

After two previous unsuccessful attempts, coaching legend Lino Cervar (former Croatian national coach, Olympic and World Champion) has led Metalurg to the Group Phase of the VELUX EHF Champions League. The champions of FYR Macedonia improved their team by signing internationally well-known players like Serbian goalkeeper Darko Stanic from Koper and Zarko Markovic, former player of Veszprem.

# VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

In their qualification tournament Metalurg did not have to give their best to win the semi-final against Lezion Rishion from Israel, but were highly lucky in the final as they scored the decisive goal to win against Haslum 29:28, 20 seconds before the final buzzer.

### **Group D:**

#### **Montpellier Agglomeration HB (FRA)**

Twice they were close to the VELUX EHF FINAL4, but twice Montpellier were the unlucky loser in the 2010 and 2011 Quarter-Finals against Medvedi and Lowen – now the French champions are trying again to reach Cologne. But in their group two more contenders – Kiel and Kobenhavn – have this objective too.

Coach Patrice Canayer, on the MAHB bench since 1994, hopes that no major injuries will stop his team – the EHF Champions League winner 2002/03 – on their way to their final destination.

With world class players like Nikola Karabatic, Vid Kavtichnik or Michael Guigou, Canayer can count on huge international experience in the 14<sup>th</sup> appearance of the team in the VELUX EHF Champions League. Montpellier have signed two Slovenians, wing player Dragan Gajic and goalkeeper Primosz Prost – but lost French international Adrien Di Panda and Czech wing David Juricek.

#### **AG Kobenhavn (DEN)**

AG Kobenhavn became Danish champions for the first time in front of the biggest ever crowd at a handball match. 36,000 spectators attended the second final against Bjerringbro-Silkeborg in the Parken football arena. Only two years after being promoted from the second league, AGK returned like a phoenix from the ashes.

Thanks to players like Mikkel Hansen, Joachim Boldsen, Kasper Hvidt or the newcomers Olafur Stefansson or Gudjon Valur Sigurdsson, the goals are high for the AGK mastermind, manager Jesper Nielsen: “We want to reach the VELUX EHF FINAL4 – and in the future win the VELUX EHF Champions League title.”

#### **THW Kiel (GER)**

No new players for the first time in 23 years, no players who have left – no team is better prepared for the VELUX EHF Champions League 2011/12 season than THW Kiel. Long-term injured players Kim Andersson and Daniel Narcisse have returned to the team of Coach Alfred Gislason and ambitions are high. “We want to win all possible titles,” said Gislason.

The two-time EHF Champions League winners still have a squad with their own key factors such as Thierry Omeyer, Filip Jicha, Momir Illic or Daniel Narcisse – and their pre-season preparation was impressive, as they won all their 15 test matches. THW again are on the list of nearly every coach as one of the big favourites for the VELUX EHF FINAL4.

#### **Reale Ademar Leon (ESP)**

After missing the Group Stage in the 2010/2011 season at the Wild Card Tournament stage Leon are back in the field of the 24 best teams of Europe as the third-ranked team in the Spanish Asobal Liga. New coach Isidoro Martinez, a former Spanish national team youth coach, hopes to reach the Last 16 despite their “terribly strong opponents” as he describes the other teams in his group.

## VELUX EHF CHAMPIONS LEAGUE 2011/12 TEAM OVERVIEW

The hopes are pinned on newcomer Adrien Di Panda (from Montpellier), as well as some new Spanish signings. Leon's best known player who departed was Croat Dennis Buntic who moved to Kielce. Leon, who are well-known for their strength at home, participate for the tenth time in the EHF Champions League.

### **Pick Szeged (HUN)**

Like last season major changes occurred in Szeged, as five newcomers arrived and nine players left or have been loaned to other clubs including key players like David Katzirz, Gabor Herbert or Maxim Butenko. In contrast Pick signed the Hungarian international Daniel Buday and talented youngster Gabor Anscin.

The Hungarian runners-up are one of the most traditional participants in the VELUX EHF Champions League; with this season their tenth appearance. Club manager Gyorgy Fekete hopes for another step in this season's competition, despite the top class opponents: "On the one hand I am not glad because we are in a very strong group; on the other hand I am happy because it is very good that such famous clubs will visit Szeged. Our goal is to qualify for the Last 16."

### **RK Partizan Beograd**

The Serbian champions are an exception in the field of the 24 participants of the VELUX EHF Champions League Group Stage, as they are the only team with players exclusively from their home country. In their Qualification Tournament they first beat AEK Athens closely in the semi-final, before then going on to the Group Stage with victory over FC Porto Vitalis.

For Partizan, it is their fourth qualification for the EHF Champions League Group matches and their first since the 2003/2004 season.

## VELUX EHF Champions League 2011/12 – Launch Event

### VELUX EHF FINAL4 2011/12 OVERVIEW

The VELUX EHF FINAL4 is the culmination of the European club handball season. The two-day event sees the best four men's teams in Europe playing to decide the ultimate winners of the VELUX EHF Champions League title.

Introduced in the 2009/10 season and so far played twice in the LAXNESS arena, Cologne, the decision to create a new format for the final phase of the VELUX EHF Champions League was seen as crucial for the growth of handball across Europe. The aim was to create a flagship event, one that could compete on the international sports market and make the Europe's leading club competition even more attractive to partners and sponsors.

The aim of the new format was to create an event that set new standards in organisation and entertainment not just four games played over two days but a true entertainment event. Playing in one venue, in a major European city with a whole year for organisation, promotion and marketing have been critical factors in the success of the event.

20,000 people from over 26 countries travelled to Cologne in May 2011 for the second edition of the event. Tickets were sold-out weeks before the four participating teams were known and the total number of 19,750 spectators was a new record in European club competitions.

The VELUX EHF FINAL4 will return to Cologne, Germany on 26 and 27 May 2012 for the third time. Tickets go on sale from Wednesday 7 September 2011, further information is available from the official website at [ehfFINAL4.com](http://ehfFINAL4.com).

## VELUX EHF Champions League 2011/12 – Launch Event

### VELUX EHF CHAMPIONS LEAGUE 2011/12 QUOTES

#### **Tor Lian, President, European Handball Federation**

The European Handball Federation (EHF) is fast approaching a tremendous milestone in the history of the sport. The governing body will celebrate 20 successful years of promoting and developing handball not only on a European scale, but also on a global stage, thanks in part to our partners and other strong supporters of top-class handball.

When the EHF assumed the responsibility of organising the European Cup competitions in its inaugural season of 1993/1994 the so called 'Champions Cup' was reborn and rebranded.

We know of course that the dream of every player is to win a place in the VELUX EHF FINAL4, Europe's biggest club handball event, taking place in Cologne, Germany on 26 and 27 May 2012.

Today the VELUX EHF Champions League has far exceeded the visions of all the key stakeholders who played an integral part in the growth of the competition during its humble beginnings.

---

#### **Michael Wiederer, Secretary General, European Handball Federation**

I am delighted to be back in Cologne to launch the 19th season of the VELUX EHF Champions League in this the 20th anniversary year of the European Handball Federation. Over the past two decades the VELUX EHF Champions League has become the leading club handball competition in Europe, involving the best teams and top stars of our sport.

The VELUX EHF FINAL4 has similarly developed into one of the top sports events on the international handball calendar, thanks in large part to the support of the thousands of fans from around the world who have created such an incredible atmosphere in the LANXESS arena over the past two seasons. We look forward to bringing top-class club handball back to Cologne in May 2012.

---

#### **Peter Vargo, Managing Director, European Handball Federation Marketing**

The launch of the new VELUX EHF FINAL4 tram will mean an even great presence for both handball and the event over the next year in the sports city of Cologne as it transports many thousands of people to and from the LANXESS arena.

We're expecting huge demand for tickets when they go on sale on Wednesday, tickets for last season's VELUX EHF FINAL4 were sold out weeks if not months before for the final participating teams were even known. "We have invested a huge amount of time and resources in this event and I think the quality of the final product speaks for itself – a handball event fans simply do not want to miss.

---

#### **Stefan Löcher, Managing Director, LANXESS arena**

The decision of the European Handball Federation to hold the VELUX EHF Champions League FINAL4 2012 in the LANXESS arena for the third time is a great honour for us.

The confidence of the EHF in Cologne is a special award for us which we gladly accept. Already in the first two years, each of the approximately 40,000 spectators experienced a weekend of top class

handball. This globally acclaimed tournament of the best teams once again underlines the LANXESS arena as a 'handball temple' in an impressive way.

The City of Cologne is a cosmopolitan and enthusiastic cultural and sports metropolis known far beyond the region and the LANXESS arena bundles this diversity into its event programme.

We are delighted that the VELUX EHF FINAL4 takes place in Cologne again and that the LANXESS arena is known for its national and international handball highlights. In this third year we want to build on the successes of the first two years and enable the public and all involved parties to experience unforgettable days at a top sporting event.

I am firmly convinced that in May 2012 many handball fans from around the world will return to Cologne and celebrate once more an unforgettable handball festival in the LANXESS arena and in the entire city of Cologne.

---

#### **Jürgen Roters, Lord Mayor of the City of Cologne**

The successful organisation of large and small sports events on national and international levels, a local population enthusiastic about sport, attractive sports facilities and the numerous sports institutions with an international reputation, all underline the fact that Cologne is a sports city.

A high point in the European handball calendar is the VELUX EHF FINAL4, in which so many of the world's best players take part. Following successful events in 2010 and 2011, I am personally extremely proud as Lord Mayor of the City that this event will return to Cologne on the 26 and 27 May 2012 for the third time in a row.

I would like to wish all teams taking part in this year's competition huge success and good luck as they try to qualify for the final phase of Europe's leading handball club competition, the VELUX EHF FINAL4, in the unique atmosphere of the LANXESS arena.
