Seminar Philosophy & Objectives

The two years since 2011, when the last “RINCK” Convention Seminar took place, have abounded with numerous undertakings that influenced successfully the operation of the venture. The ideas and plans presented on the mentioned Seminar in 2011 have been improved and put into practice with the significant support of signatories.

Special efforts of the EHF Methods Commission concerning the expansion of the “RINCK” Convention members’ have been very successful. As a result, the EHF “RINCK” Convention signatories group can welcome new participants- the national federations of Estonia, Netherlands and Romania. A formal signing will take place in the framework of the 2013 EHF Conference of Presidents (2nd June 2013) in Cologne, Germany. From then on the “RINCK” Convention will consist on 31 EHF Member Federations.

Regarding the development of the educational process proposed at the 2011 EHF “RINCK” Convention Seminar, the first ever ‘EHF Open Master Coach and Licensing Course’ was finalised in Belgrade/ SRB in December 2012. Following the EHF 2012-2016 master plan the next edition of the ‘EHF Open Master Coach and Licensing Course’ shall take place in the year 2014, under the same structure- three modules and individual theses to be produced and defended by the participants. The system will be administered by the EHF by means of an EHF database in close cooperation with the National Federations that are EHF RC signatory countries.

Therefore, the declared objectives of the 2013 EHF “RINCK” Convention Seminar for Signatory Nations are:

- to acquaint the signatories with the standards and curriculum of new educational targets, namely
 - EHF Open Master Coach and Licensing Courses
 - National Master Coach and Licensing Courses
 - EHF PRO Licence and EHF Coaching Licence
 - Expansion of EHF “RINCK” Convention
- to discuss the contribution of the participants, especially national targets, ways to implement, regional solutions, further perspectives
