All Handball Eyes on Gothenburg

EHF activities find their focus on Gothenburg, Sweden this coming week. Within the framework of the 2008 Partille Cup, the EHF is holding a younger age category competition - Women's 18 European Open - for women's teams born 1990 or later. This will take place from 1 – 5 July 2008. The matches will be streamed live, check out www.eurohandball.com for link details.

On the final weekend of the Women's 18 European Open, the EHF will hold a number of events. On Friday 4 July, the 2008/2009 Women's and Men's EHF Champions League Group Phase Draw will take place in the Scandinavium, Gothenburg. It will commence at 18:30 and will be streamed live at www.ehfcl.com. Over 1 000 people will be in the arena for the draw, including EHF guests and representatives from the top level sporting ranks. This will be followed by a party organised by the Partille Cup team.

The EHF Executive Committee will also meet on 5/6 July in Gothenburg. The Committee is working to a heavy schedule, focusing on the forthcoming season and the EHF Congress in September 2008. The meeting will be just one of many, with the Men's Club Board also getting together for an open brainstorming session.

Addresses

The traditional EHF address books for the coming season are currently being compiled. They will be mailed in the latter half of August 2008 in time for the new season.
