Information about Nazaré

The most typical Portuguese beach is located in the country's littoral centre, about 100km from Lisbon and 230km from Oporto. Sheltered on the base of its magnificent promontory, Nazaré, with its narrow streets perpendicular to the sea, delights the visitors for its natural beauty.

Old fishermen and sailors' land Nazaré has three distinct population nucleuses: Praia (Beach) – golden sandy seashore, alive and traditional; Sítio – place of legend, cult and pilgrimage to Our Lady of Nazaré; and Pederneira – first home of the fishermen and shipbuilders where existed one of the most prosperous shipbuilding yards of the kingdom in the 16th century.

From Sítio, placed on the top of the promontory, at 110 metres high, one admires the most beautiful seascape of Portugal.

Praia do Norte (North Beach), wild and peaceful, surrounded by dunes and pines, is a preserved and ecological place ideal for long walks along the seashore, to sport fishing or to big-wave surfing.

To walk up and down the narrow streets, where life goes by on the rhythm of tides and winds is to discover the essence of these people; cheerful and alive, they hide their sorrows behind an open smile, speak like singing, fascinating everyone by their special personality.

Wrapped in smells of salt and sea Nazaré invites its visitors to taste some delicious grilled sardines or a juicy "Caldeirada" (fish stew), among other specialties typical from the seaside.

To wonder around, getting yourself lost in the sandy beaches, is finding traditions and modernity, lots of entertainment and celebrations, enjoying a wonderful and unforgettable stay in Nazaré.
Dare yourself... be our guest!

2016 M16/W16 Beach Handball EUROS

In July 2016 the 7th YAC European Beach Handball Championships (2016 M16/W16 Beach Handball EUROS) will be played. The tournaments are open for all European Member Federations with a limited number of 12 participating teams per gender. All the European Member Federations are invited to take part. Each European Member Federation has the right to nominate 1 men's and 1 women's team. The competition is open for players from the European Member Federations with the respective citizenship of their country born 2000 and younger.

The 2016 M16/W16 Beach Handball EUROS are planned for 24 teams (12 men's + 12 women's). In case there are more registrations the entries follow a "first come first served basis".

The 2016 M16/W16 Beach Handball EUROS will be carried out in 2 parts. The preliminary round is planned to be played with all registered teams in two groups. The teams ranked first to four will play the quarterfinals, semifinals and finals; the teams ranked 5 – 6 will play placement matches.

The Championships will take place from 08 July 2016 (arrival date 7 July 2016) – 10 July 2016 (departure date 11 July 2016) in Nazaré / POR – all teams have to stay during the whole event period obligatory.

After the receipt of the entries (12 February 2016) the draw for the tournament will take place in March 2016.

The playing schedule for the preliminary and the final round will be sent out with "info 2" for the participating teams by April 2016.

Travel and accommodation

Following the philosophy of beach sports the teams have to organise themselves.

The POR OC of the 2016 M16/W16 Beach Handball EUROs offers various accommodation facilities (OC is ready to provide individual solutions as well – therefore the teams are requested to book via the organiser). In principle a delegation consists of 10 players and 2 officials; in case of nominating more than 12 persons per delegation the local OC asks you to write down the exact number of persons in your delegation on the registration form (because of limited room capacity).

All participating teams shall organise and arrange their travel & transfer (transfer possibilities will be offered by the OC) as well as accommodation & board (choice of hotel category, duration of stay, etc.) in co-operation with the local organiser on their own (see EChs web site: <http://nazarebeachhandball.com/>).

Deposit payment of €1,000 for each category (will be used as a security for the accommodation - will be stored within the EHF and used in case of need)
